HACHIDAN	\$100 + \$325	N/A	\$630.00	\$20.00	\$10.00	\$1085.00

***Note: Your club may have additional fees. Contact your Head Sensei for the total amount due for your promotion.**

Kodokan fees, exchange rates, etc. are subject to change. Occasionally USA Judo and Alaska Judo Inc. modify their promotion fees. Candidates will remain responsible for any increase in fees.

In addition, AJI requires that candidates for shodan and higher to have been registered with USA Judo for the two immediate preceding years plus the current year. "Current year" registration means the candidate is currently registered at the time the promotion application package is being reviewed by the AJI Board of Examiners and/or the USA Judo Board of Examiners.

Candidates can avoid risking having their application package tabled to some future examination date by ***verifying that they can satisfy the two back year registration requirement*** PRIOR to submission to AJI Board of Examiners.

AJI Fees: Make check payable to "AJI Board of Examiners"

USA Judo Fees: Make check payable to "USA Judo"

Kodokan Fees: Contact Chairman for instructions

If you have any question about any of this information relating to the required fees, payment process, etc. please seek clarification from your sensei or from any member of the AJI Board of Examiners.
